

3rd ICAEE 2018 held at Chongqing Jiaotong University sponsored by the Gunma, Chongqing Jiaotong University and by the Chinese Branch of Alumni Society of Gunma University, Kogyokai

From October 12th Friday to 14th Sunday, the 3rd ICAEE (International Conference on Advanced Engineering and Its Education) was held at Chongqing Jiaotong University in Chongqing, China. The 1st ICAEE was held from October 13th to 15th, 2016 at the KBIC hall of the Kiryu Chamber of Commerce; and the 2nd ICAEE was held from March 8th to 10th, 2017 at Ota Campus, Gunma University. At the 1st ICAEE, President Hiroshi Hiratsuka awarded four Chinese professors with the title of Guest Professor that was just started at that time in our university. Two Chinese professors were also awarded for their great contribution to the 100 years celebration of the establishment of the School of Science and Engineering. All the tasks of visiting our university for preliminary meeting, proceedings preparation, transportation between hotels and the venue, and arrangement of all the things including party was performed by Chongqing Jiaotong University people. I sincerely appreciate them for their great contribution to the success of this conference.

At opening ceremony, main participants were on the stage. From left, Prof. Zhengliang Li, Professor of Chongqing University, Prof. Mingjie Zhao, Vice President, Dean Seki, Prof. Xiaohong Chen, Professor of Tonji University, Toshiyuki Takeuchi, Previous Vice President of Gunma University, On the back, Prof. Ishima and Prof. Nezu are seen.

Prof. Shuqing Li, Vice Chair of Department of Traffics and Transportations

Prof. Mingjie Zhao, Vice President

Greeting by Dean Seki chaired by Prof. Zhaoyi He, the conference chairman.

Front left desk, middle; Prof. Zhou (lady; Southwest Jiaotong Univ.) and the right Prof. Yang(Shichan Univ.), right desk third line, Prof. Chen (young man, Shenyang Aerospace Univ.)

Vice Chair Prof. Li gave Prof. Shao and me opportunities of closing talks. This conference is a kind of fruit of 20 years cooperation between Prof. Shao and me, Shiga. We believe the 4th conference somewhere and sometime.

All of these tents on wide slope area are Hot Pot shops.

Hot of taste and red splash of soup to cloths, but no one can stop to eat.

On 2nd day, we were separated into two groups, meeting and cultural visit. Lunch of the latter group looks happy. 3rd from right is Prof. Shao (younger, Chongqing Univ.). Left is the English speaking student attended whole schedule for us.

Prof. Shao's (younger, Chongqing Univ.) daughter and her father's teacher, Prof. Nezu. When Prof. Shao was a student, she was in mother's body. Now she is an OL of a bank. She grew up in Japan until her elementary school.

Even on Sunday, many people joined the meeting for our future cooperation. This might be the hardest and deepest meeting. Left row, from right, Prof. Kumehara, Shiga, Seki, Ishima, Ueno and Yin, Right row, center, a black suit lady is Ms. Yu

Presents exchange between Dean Seki and Ms. Yu.

In front of Chongqing Museum. He is not giving a speech, but just standing.

Prof. Dechun Zou (Chair of Chinese branch, Peking Univ.) and his wife (right two) who just arrived from Chendu after his invited lecture in the evening of Sat. 3rd from right is an alumnus of Prof. Zou's lab living in Chongqing, and he guided us to the excellent restaurant close to our hotel.
