

Call for Papers (Official language: English or Japanese)

4th International Conference on Advanced Engineering and Its Education in 2019 (4th ICAEE 2019)

September 26 (Thu) to 28 (Sat), 2019

Venue: Gunma University, Ota Campus, Lecture Hall 2 (4 F)

(<http://www.gunma-u.ac.jp/english/html/access.html>)

Organized by School of Science and Technology, Gunma University

Co-organized by Alumni Association of School of Science and Technology, Gunma University, Monozukuri Research Organization, and Highland Kanto Liaison Organization

Preface The 4th ICAEE will take place in Ota again, followed by previous three ICAEEs held in Kiryu, Ota and Chongqing. The 2nd ICAEE in Ota was held the year after the 100th anniversary (2015) of the School of Science and Technology, and this 4th ICAEE will happen just two years before the 100th anniversary (2021) of the establishment of the Alumni Association of School of Science and Technology. The assembly meeting of Chinese Branch of the alumni association will also be held, which has been leading the internationalization of Gunma University. This time, subject areas are widened; focusing not only Science and Technology, but also including Education of English and Japanese, Accreditation, Various Action of Improvements (Faculty Developments), and Cooperation with Regionals. Thus, it is expected that the 4th ICAEE will keep contributing to the internationalization of Gunma University and its regionals. (Chair of Executing Committee)

Key Words: English or Japanese Education, Classes in English, Accreditation, Faculty Development, Science, Engineering, Cooperation with Regionals, Others
